## Endowment Establishment Form

The NJC Endowment represents money or other financial assets that have been donated to the College to provide a permanent, self-sustaining source of funding. Endowment assets are invested and each year, a portion of the value of the fund is paid out to support the College, and any earnings in excess of this pay out are used to build the fund's market value. In this way, an endowment fund can grow and provide support for its designated purpose in perpetuity. Endowment income is used to underwrite College operating expenses (general support), faculty development, academic programs and scholarships.

When you establish a named Endowment fund, you create a permanent legacy of support from your family or organization for the NJC.
