

Court Administration Academy for Judges and Court Staff

June 23 - 26, 2026
Denver, CO

Tuition: \$1,979
Conf. fee: \$549

THE NATIONAL
JUDICIAL COLLEGE

Efficient court administration plays a crucial role in a court's success.

This course will benefit all judges—including those from metropolitan, rural, tribal, and administrative courts—and we encourage them to bring their court clerks and administrators to this exceptional educational opportunity.

The Academy offers a thorough, skills-focused approach to court administration, customized to the varied needs of judges and court personnel at all levels. By attending this academy, participants will understand and be able to better execute the administrative roles and responsibilities inherent in their work. With practical tools in hand, they will be well-prepared to tackle both daily and long-term administrative challenges that shape their roles.

What is included in the fees?

Tuition includes all in-person materials and access to digital materials. The mandatory conference fee provides for all breakfasts and lunches.

"This is a great course for new administrators and Chief Judges. You will learn the importance of working as a team for the betterment of your court."
